██████████, date of birth (DOB) ██████████, cellular telephone number ██████████, was interviewed telephonically. After being advised of the identity of the interviewing Agent and the nature of the interview, ██████████ provided the following information:

██████████ contacted BOIES SCHILLER and talked with SIGRID MCCAWLEY, who referred her to the FBI. In the early 1990's, ██████████ worked for CHARLES DE JOURDAN, and the company flagship was in TRUMP TOWER.

██████████ was in her early twenties when she would go to school at night while working full time. During her lunch hour, she would study in public places in TRUMP TOWER because she worked in a building nearby. At the time, ██████████ recalled that there were TOWER RECORDS downstairs near the escalators and there was a waterfall. There were 25-30 tables in the public area. ██████████ met a colleague and he pointed out two men in their early thirties. ██████████ described one of the men was dark haired and looked like ANTONIO BANDERAS while the other man was blonde and looked like the surfer type. Her colleague told her that the men constantly picked up ██████████ women.

██████████ was approached by the dark haired man who asked her if she was a student and what she was studying. She told him her name and where she worked. He asked her if she knew who DONALD TRUMP was and told her he was meeting people that day. At this point in time, TRUMP has been in the tabloids in reference to his divorce from his first wife. ██████████ told the man that she knew who TRUMP was. The man asked her if she wanted to meet TRUMP and told her that she did not need to work so hard to go to school. The man winked and said he could do whatever she liked.

██████████ felt that it was clear that sex was on the table even though the man never mentioned sex. ██████████ felt these men were playing the role of recruiters for TRUMP. The man told her that if she did not want to meet TRUMP right then she could go to a party. The man told her that she could
